I am going to suggest that we provide our questions in writing and ask for responses if we have any uncertainty following this meeting.

Hi Karrie,

What time is the afternoon call with WV? I think you said 3:00? I don't have it on my schedule, but I'm available if you would like me to attend as well.

I will look back through the AO and start brainstorming questions.

Hi Team,

We're asked to work with ECAD on a comprehensive list of questions to ask during this afternoon's call with WV with a focus on potential areas where the system is not in compliance with the state's order (and any new or outstanding questions we have at this time). Alysa and I have a 1:30 meeting – I can work on the list of questions after that meeting unless one of you has a chance to get it started in the interim.

Thank you!
Karrie
